Two New Stencil Brush Sets

Fun and colorful stencil brush packaging that is alluring to the consumer and will fly off your shelves and your website

SI-1808S

SILVER STENCIL™ set

Features 8 different traditional stencil brushes in even sizes 0-14, with eye catching red handles. The artist can use these stencil brushes, made with natural hog bristle, on a variety of surfaces including furniture and walls. Silver Stencils™ can be used in all media. Including encaustics, oil, chalk paint and more.

SM-1703S

STENCIL MINI™ set

Features 3 different size shorter length out bristle brushes. With easy to hold shorter length handles in bright red. They will add a firm touch to the surface of any project. These brushes are great to use in stenciling, scumbling, softening and blur effects. Work with any media including any type of pastels, oil sticks, chalk paint and so much more. Use on any surface.
